### River of Grass Weekly Update – July 9, 2020

#### **Beyond the Water's Edge**

These are uncertain and volatile times. These are times that call on us to work towards our collective liberation while also tending to our spiritual needs and caring for others. How do we ready ourselves for what is being asked of us? How do we keep moving even when we don't feel ready?

This Sunday we will be sharing the experience of the Sunday morning service from our General Assembly on Jun 28<sup>th</sup>.

Come as you are to gather with us for this Sunday's love-streamed service, remembering only the medium is virtual; the connections, the love, the spirit are real. Following the service, we will share virtual Hospitality time with a live chat and small groups where we can relish each other's beautiful faces and voices together once again.

Follow the link below to join us in Zoom – or if you'd like, we'll be simulcasting on our Facebook page at <https://www.facebook.com/riverofgrassuu/>. Tune in there for the service, then log onto our Zoom link for hospitality time afterward. And now that we have a larger Zoom space ready to welcome all who will join us from over this world – who will we meet this week?

Sunday morning, gather with us at the River – on your computer, your tablet, your phone (with video or only audio if you like, we'll miss your face!) -- just click or dial into our RoG Meeting Room at the link or numbers below. We'll be watching for you!

**Summer Children's Virtual Fellowship at 12:30 pm** – Children and parents: Come join us at 12:30 pm this Sunday, Jul 12<sup>th</sup>, for the Summer Fun at the Zoo virtual children's fellowship. This week: Animals of the Rainforest. What do creatures in the rainforest see, smell or hear? Would you like to stalk stealthily like a jaguar, or balance on one foot like a tamarin monkey? These are some of the animals living in the hidden world of the Amazon Rainforest. With researchers at the National Zoo in Washington D.C., we'll explore this unique place that the zoo is helping protect. Faith Development's Summer Fun at the Zoo celebrates our 7<sup>th</sup> Unitarian Universalist Principle: to respect and protect all living things and our earth. ### *River of Grass Welcomes New Member Colby Baez!*

Colby Baez (They/them/theirs) is a born-and-raised South Floridian who lives in Dania Beach with their spouse Tosh and their two dogs and two cats. Colby has been on a journey of searching for their spiritual home for several years and found River of Grass in February of 2020. They immediately recognized the community they were longing for and got involved with the Young Adult group as soon as they heard of it. Colby loves adventuring, has a passion for nature and is striving to leave the world a better place.

***Birthdays - It's your birthday!*** ... "Happy Birthday to you, that's how we celebrate à la UU ... because you're special and we know it, virtual hugs and best wishes to YOU!

It's our intention to come together and connect with our UU families, -on the first Sunday of each month-, as we celebrate a special moment in our lives, by mentioning the day you were born! Please, expect a call, text, and/or email from the Membership Committee to ask for your permission. Thank you! Email [Birthday@riverofgrassuu.org](mailto:Birthday@riverofgrassuu.org) for more information.

### ***Our next chapter begins:***

Members and Friends,

The landlord and River of Grass have both signed the lease termination agreement effective July 31, 2020. Gratitude to the team who gave many hours for this endeavor.

A great chapter closes, as a new chapter begins. While I'm relieved about no longer paying for space we cannot use, I am also melancholy about leaving a home we loved.

The Moving Storage Team, led by Janet Schwartz and Ken Bresnahan, are actively progressing. They are developing a schedule for packing and other tasks over the next 2 weeks, and facility patching, painting and clean up the following week. Volunteers will be needed, so please contact [Move@riverofgrassuu.org](mailto:Move@riverofgrassuu.org). They will distribute a copy of the schedule as it evolves, along with instructions for scheduling time to help out.

During this period of transition, feel free to reach out in any way that supports you. We are blessed to have an amazing Minister and a beloved community. We will transition successfully, together.

In service, Scott May, on behalf of the River of Grass Board of Trustees

### ***Move team update:***

Our volunteers do so much at River of Grass! While you were helping out did you bring any items home that belong to River of Grass? **Did you take home linens or towels to clean? Did you borrow a table or any folding chairs?** Please try to make arrangements to drop them off at River of Grass. You can leave laundered items at the front door and Janet or Ken will bring them inside for you. Contact-less drop off! Or if it is larger items like tables or chairs, coordinate a time and they can leave the back door propped open for you to bring them in by the storage room and they will keep distance from the area for safety. Send them an email at [Move@riverofgrassuu.org](mailto:Move@riverofgrassuu.org) to work out all the details. Make sure to have your facemask with you if you plan to enter the building. Thank you for helping to have all of our items together so the movers can take everything to storage.

### ***Vote Forward:***

The UUA's UU the Vote is a nationwide effort to get out the vote this November and in earlier primaries. With COVID-19 surging a good way to do activism from the comfort and safety of your home is Vote Forward. <https://votefwd.org/> They focus on writing brief letters to progressive leaning infrequent voters in swing states. This is proven and effective; in multiple randomized trials, voters who received a handwritten letter were significantly more likely to vote.

After you sign up with Vote Forward you will receive names and addresses of infrequent, progressive voters in swing states. After printing out a simple letter you will write in the person's name, write a sentence or two about why it is important to vote, and sign the letter. Then you write the person's name and address on an envelope, and write your name and a return PO box provided by Vote Forward. After stamping the letter you hold on to it, and mail it about 2 weeks before the election.

Sending a Vote Forward letter is one of the easiest things you can do to increase turnout. It takes about four minutes and one stamp, and meaningfully increases the odds that the recipient will vote. This is a concrete action you can take, no matter where you live, to get unlikely-to-vote fellow citizens to the polls.

"I have written 10 letters." - Steve Jens-Rochow [SSJGT@riverofgrassuu.org](mailto:SSJGT@riverofgrassuu.org)

*SSJGT, Service and Social Justice Green Team, Green Tip of the Week: Use reusable food storage containers made of glass instead of single use plastic bags or plastic wrap. It's cheaper, and it's healthier to reheat food in glass in the microwave.*

### ***Learn more about being a Welcoming Congregation:***

River of Grass UU congregation has made a commitment to opening its doors to people of all sexual orientations and gender identities. We have arranged for individuals in our congregation to complete a 6-session module "Transgender Inclusion in Congregations." This course is for individuals, groups and congregations who want to take their knowledge and skills to the next level in terms of trans identity and how to create congregations that are fully inclusive and affirming of the full breadth of gender diversity. Over 6 sessions you will deeply explore the intersection of trans identity, spirituality and faith community and gain the grounding, context and skills to transform yourself and our congregation. The course is deeply moving. There will be discussion groups to process what came up for you while you took the course. The more information and the link to register for the class is on our [Members Only page](#) at our website. Questions? contact Kathy at [Welcoming@riverofgrassuu.org](mailto:Welcoming@riverofgrassuu.org).

### ***COVID-19 Response Update***

Our River of Grass faithful is actively responding to COVID-19. All face-to-face gatherings of any kind are suspended or moved on-line, and our building is closed. Numerous meetings and gatherings have transitioned online via Zoom. Welcome to our new norm!

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contacting' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

### ***Basic Protective Measures Against the New Coronavirus***

Your leadership at River of Grass are taking every precaution against the new coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

### **Take care of your health and protect others by doing the following:**

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

**How to cope with stress during this coronavirus outbreak:**

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
