## River of Grass Weekly Update – July 16, 2020

### **From Grief to Gratitude: Exploring the poetry of Pamela Porter**

The challenging times we are living through are forcing all of us to look at how circumstances have disconnected us from the comfortable. Many of us are experiencing or have experienced grief over those disconnections. As we utilize technology to connect in new ways, we can shift our perspective to reignite gratitude.

This Sunday Rebecca Rice will be sharing "From Grief to Gratitude" ...exploring the poetry of Pamela Porter. Pamela is Rebecca's sister and an award-winning poet who lives in British Columbia on Vancouver Island.

Come as you are to gather with us for this Sunday's love-streamed service, remembering only the medium is virtual; the connections, the love, the spirit are real. Following the service, we will share virtual Hospitality time with a live chat and small groups where we can relish each other's beautiful faces and voices together once again.

Follow the link below to join us in Zoom – or if you'd like, we'll be simulcasting on our Facebook page at <https://www.facebook.com/riverofgrassuu/>. Tune in there for the service, then log onto our Zoom link for hospitality time afterward. And now that we have a larger Zoom space ready to welcome all who will join us from over this world – who will we meet this week?

Sunday morning, gather with us at the River – on your computer, your tablet, your phone (with video or only audio if you like, we'll miss your face!) -- just click or dial into our RoG Meeting Room at the link or numbers below. We'll be watching for you!

**Summer Children's Virtual Fellowship at 12:30 pm** – Children and parents: Come join us at 12:30 pm this Sunday, Jul 19<sup>th</sup>, for the Summer Fun at the Zoo virtual children's fellowship. This week: All Around the Zoo. There are a lot of things for us to still see at the Smithsonian's National Zoo in Washington D.C., where our children have been hanging each Sunday since June. We'll be talking a virtual stroll around the grounds, seeing where these creatures live, and learning what they eat (they have a special zoo chef!) and what they like to do for fun – which is important for animals, too. We'll play our own games that will build our observation skills and show us how to be a better friend to all animals.. Faith Development's Summer Fun at the Zoo celebrates our 7<sup>th</sup> Unitarian Universalist Principle: to respect and protect all living things and our earth. Faith Development's Summer Fun at the Zoo The program is

offered every Sunday through Jul 26<sup>th</sup> via Zoom, and requires a password. Look for an email from Diane Lade, Summer Fellowship Coordinator, or reach out to her at [FaithDevelopment@RiverofGrassUU.org](mailto:FaithDevelopment@RiverofGrassUU.org).

### **COVID-19 Response Update**

Our River of Grass faithful is actively responding to COVID-19. All face-to-face gatherings of any kind are suspended or moved on-line, and we have left our building. Numerous meetings and gatherings have transitioned online via Zoom. Welcome to our new norm!

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contacting' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

### **Basic Protective Measures Against the New Coronavirus**

Your leadership at River of Grass are taking every precaution against the new coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

### **Take care of your health and protect others by doing the following:**

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

### **How to cope with stress during this coronavirus outbreak:**

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.

3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.

**Faith Forward Inquirers Series will be on hiatus for the rest of the summer. Starting in September we will meet on Wednesdays from 7:30 - 8:30 pm on Zoom.** Faith Forward Inquirers Series is a rotation of seven conversations about our congregation and Unitarian Universalism. The series is designed for visitors and newcomers who are looking for a general introduction, and yet the sessions are also appealing to veteran members who want more information about our beloved community. New members and inquirers are encouraged to attend. Classes are not mandatory for membership but are highly recommended! For more information, email Zena Tucker, [membership@riverofgrassuu.org](mailto:membership@riverofgrassuu.org). The Zoom link for our Sep - Dec sessions is: [ZOOM Link for RoG Inquirers](#).
